The MAGNITUDE of Our  
Holiday Selling

tells the story of pleased customers, and tells it  
with marked emphasis. Our preparations for  
the Holiday trade were made to secure just such  
a result. Particularly attractive stocks at par-  
ticularly attractive prices are the levers with  
which we are accomplishing this big daily sell-  
ing, and which we mean to keep up to the end.

Our very phenomenal Book values are the talk and wonder  
of the trade as well as buyers, and we intend they shall  
continue to be as long as the lines last.

Other stocks that are attracting ready buyers are CLOAKS,  
SUITS, FURS, HOUSE GOWNS, MEN'S FURNISH-  
INGS, HANDKERCHIEFS, JEWELRY, WATCHES,  
SILVERWARE, TOILET GOODS, LEATHER  
GOODS, CLOCKS and LAMPS. You should get ac-  
quainted with them if on gift-buying intent.

BOOKS. BOOKS.

Marvellous Values for Holiday Buyers.

The phenomenal success of our great Book Sale during the past  
week is proof of the wonderful alertness of the public in discrimi-  
nating between the ordinary offerings of fair values and the extraordi-  
nary presenting of matchless and unequalled bargains. Such slaugh-  
tering of values, such sweeping reductions in prices for books of  
absolute merit have never before been known. The result was a week  
of book-selling that eclipsed all our previous achievements, and un-  
doubtedly surpasses anything ever before attained by any house in  
America. This is the record we started in to make, and we have  
made it. We intend to keep it up. Therefore for the coming week  
we offer the following marvellous values:

on fine paper and handsomely bound in half leather.
